

WORLD WATER SUMMIT 2018

Clean & Safe Water Solutions for a Sustainable World

Water Management Locally - Globally

New Delhi, November 1, 2017: World Water Summit 2018 scheduled on 22nd March 2018 will focus on “**Clean & Safe Water Solutions for a Sustainable World**”, where you may share ideas with water industry leaders, experts, financiers, network and do business with leading companies. It's a great opportunity to expand your business and keep up-to-date with developments in water innovative technologies. www.worldwatersummit.in

WWS 2018 has become a premier event focusing on Synergies between water security and economic prosperity, finance and technology to deliver clean and safe water solutions for both industries and utilities. The summit will bring the collective intelligence of stakeholders, exchange knowledge, latest technologies and also the acumen of visionary speakers in an effort to catalyze collaboration between the public & private water utilities, technology providers, financiers, industrial end-users, associations in addition to water, agriculture-food-beverage and sanitation agencies.

The World Water Summit 2018 is the important water industry event that will have **high profiled global speakers** and **industry leaders** in **Plenary sessions, interactive Keynote sessions, CEO's Forum**, thought-provoking **panel discussions** and **poster sessions** to provide the focal points for translating knowledge into action. The Summit encourages activities of business matching, **B2B meetings**, especially focused on key industry issues and emerging water solutions while pursuing business building and networking.

Call for Abstract/Paper - Abstract should be one page A4 400-500 words only, single spacing using Arial Font 10. It should contain title, author/s names, full address & email. For topics visit WWS website www.worldwatersummit.in

As an added special feature nominations are invited for the **Energy And Environment Foundation Global Awards 2018 in Water Conservation / Innovation in Water Technology**. Award's application complete with all information and documents alongwith applicable processing fee should be submitted to the Secretariat by **December 31, 2017**. www.ee-foundation.org/awards.html

Exhibitors are invited to display their **cutting-edge technology, innovations, products** and **services**. Premium Exhibition space & stalls are being sold fast on first-come-first-serve basis. If interested act fast. With over 300+ delegates from across the globe gathering for the Summit. Networking with industry key people over lunch, cocktails and gala-dinner night. Meet industry peers and policy makers over day of exciting networking sessions.

We welcome you for a stimulating exhilarating professional experience at the **World Water Summit 2018** on 22nd March 2018 being held at Convention Centre-NDCC, Parliament Street, New Delhi, India.
